

Simple dummy firebox

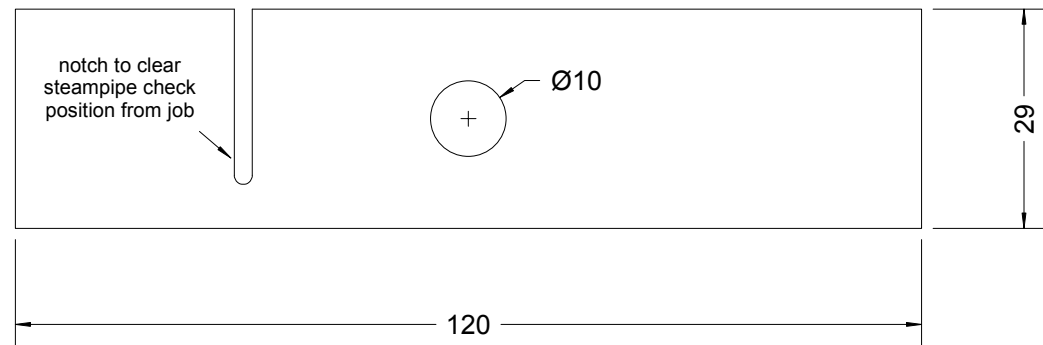

This hides the end of the boiler
and could be omitted from a closed cab loco

Dummy backhead 1.5mm brass

1.8mm holes for 10BA bolts
to secure to footplate angle

Cladding 0.5mm brass sheet, trim length to fit and soft solder to dummy backhead.
Notch to clear steam pipe from regulator to lubricator.

Wild Rose III
sheet 28
simple dummy Firebox
